FOREWORD

THE WAY OF THE WORLD

Ella Wheeler Wilcox

*Laugh, and the world laughs with you,
Weep, and you weep alone,
For the brave old earth must borrow its mirth—
But has trouble enough of its own.
Sing and the hills will answer,
Sigh, it is lost on the air;
The echoes rebound to a joyful sound
And shrink from voicing care.*

*Rejoice, and men will seek you,
Grieve, and they turn and go;
They want full measure of your pleasure,
But they do not want your woe.
Be glad, and your friends are many,
Be sad, and you lose them all;
There are none to decline your nectared wine,
But alone you must drink life's gall.*

*Feast, and your halls are crowded,
Fast, and the world goes by.
Forget and forgive—it helps you to live,
But no man can help you die;
There's room in the halls of pleasure
For a long and lordly train,
But one by one, we must all march on
Through the narrow isle of pain.*

DEDICATION

It is very doubtful if anyone has contributed more to the Spiritual development of the people of Rowan County for the past fifty years than has the late Rev. C. P. Fisher, D.D.

Rev. Fisher spent more than forty years of his ministerial service here in our county. The last fifteen being spent as our next door neighbor.

Rev. Fisher's love for school children and his encouraging words spoken to the teachers as they arrived and returned from their day's work in the classroom will never be forgotten.

Greater love hath no man than this, that he give his life for God's Kingdom. Truly it can be said of Rev. Fisher that he gave his life for the spiritual development of the boys and girls of Rowan County.

In appreciation for this great service rendered by Rev. Fisher, we, the class of 1946, dedicate this year-book.

SUPERINTENDENT'S MESSAGE

America is great! Why is America great? America is great because of her three great Democratic Institutions. The home, the school, and the church.

Truly the home is the fountain of our civilization. From it springs the life of our present and future generations. Upon the parents of our homes rest the responsibility of giving early training to the children of that home. If this training is neglected, the first great link in the chain which makes America great is weakened.

The school is the next great link in the chain. To our forefathers we owe a great debt of gratitude for the establishment of our public school system which we have today. Upon the shoulders of our classroom teachers rest the responsibility of training the youth of our land, for its citizens of tomorrow. If America is to continue to be great, it will depend largely upon the sound thinking and efficiency of our classroom teachers.

The church is the third link in our chain. The decay and fall of all nations and empires can be traced to the decay and fall of the church. Man, in order to advance, must continue to trust in God and the church.

No nation will become greater than its homes, its schools, and its churches.

Let us do our part to keep America great.

T. F. BOSTIAN, *Superintendent*

PRINCIPAL'S MESSAGE

What do you reflect? We all reflect that at which we look and those with whom we associate, if we do it long enough.

The home, which should be symbolic of everything that is good and noble in life, will bring forth high ideals, sympathetic understanding, and deep affection and appreciation for our parents and fellow associates.

There are those across the way who look at our lives. In some of us they see love and kindness, in some only successful business operators; in others social leaders; in others, one who knows, "how to have a good time."

What do your friends see in you? What do you reflect?

If our dreams of a better world are to be realized and the day hastened when men shall know war no more, in some way our generation, too, must catch a hint of eternity. We must look to sources of strength higher than ourselves. We must cultivate a sense of God's presence and under the inspiration of fellowship with Him learn to do His will. Human capacities are great but not great enough, nor good enough without God. Therefore the Church is the one institution on earth whose main purpose is to bring God and man together. Through Worship, Bible Study, Christian fellowship, Helpful service, we can find God.

The school has a great task to perform to the children from all walks of life. We are to help the children find their place and enrich their lives and make life worthwhile. We hope that the instructors in the Landis School have contributed by these special efforts of sympathetic cooperation and loyal devotion to the many tasks that are ours to perform.

Toil, I repeat—toil either of the brain, or of the heart, or of the hand, is the only true manhood, the only true nobility.

May I ask again, what do you reflect?

H. A. McCREARY, *Principal*

Billy Cavin Freeze, son of Mr. and Mrs. H. E. Freeze, was born in Rowan County, Landis, North Carolina, on the 22nd day of April, 1930. He died at the Lowrance Hospital in Mooresville, North Carolina, February 17, 1946, at 6:55 A. M. He lived exactly 15 years, 9 months, and 25 days.

Billy joined the First Evangelical Reformed Church on April 1, 1945. Here he attended faithfully until his death.

He was a student of Landis High School and well liked by both students and faculty members. Billy took part in all the athletics of the school and was very popular among his schoolmates. As a member of the 10th grade he is missed by all who knew him.

*Shall I say that what heaven gave
Earth has taken?
Or that sleepers in the grave
Reawaken?*

*One sole sentence can I know,
Can I say:
You, my comrade, had to go,
I to stay.*

BAND

OFFICERS—Doris Plaster, George Pless, Johnny Dayvault, Foy Deal, *Director*, Miss Mary Louise Moore.

The Landis Band has been very busy this year, playing for football games, concerts, parades, and many other events. The band was organized in 1941 and is developing into an efficient, active organization. It is filling a necessary place in creating better school spirit and giving musical training to its members.

A CAPPELLA CHOIR

OFFICERS—Bobby Arthurs, Audrey Karriker, Patsy Whitaker, H. G. Fisher, Jr., *Director*; Miss Gladys Fisher, *Accompanist*, Frances Pless.

“Keep Singing America.”

Enthusiasm has run high in our A Cappella Choir this year, doubtless a result of the purchase of new robes—gold and black—as well as a result of continuous activity through the nine months of school. The finished concerts of the choir have been enhanced by its outstanding appearance in black robes with rabats and stoles of gold, completing our school colors. Besides entrance of its three choruses, soloists, and ensembles in the state music contest, and besides miscellaneous programs, the choristers presents three concerts of Christmas music and other concerts of sacred music in the spring. A genuine love for music has brought and kept sixty-five persons in the A Cappella Choir.

“Keep singing America; Keep singing Landis High.”

LIBRARY CLUB

FUTURE FARMERS OF AMERICA

LIBRARY CLUB

OFFICERS—Jerry Pless, Wayne Beaver, Frances Pless, Tommy Linn.

The purpose of the Library Club is to acquaint students with the work of the Library and to promote, through them, a wider interest in books and reading in the school.

FUTURE FARMERS OF AMERICA

OFFICERS—Ray Preston Karriker, Paul Sweatt, Cecil Karriker, Charles McCarn, Jim Corriher.

The Landis Chapter of Future Farmers of America has won more contests in the last year and a half, under the leadership of the boys of the chapter, than during all previous years put together. We have won five banners and a plaque, and we hope to add more to our collection in the coming year.

NATURE CLUB

OFFICERS—Ray Karriker, Jim Corriher, William Deadman, Albert Coone, Clyde Goodman. Adviser, Mrs. Leafe.

The purpose of the Nature Club is to try to appreciate the things that Nature has given us. Our aim is to start with the simplest and work to the more difficult things. We have started on the different kinds of insects and all the parts of the trees that they destroy. We study about them and go out to look for the insects and the damage that they have done.

BETA CLUB

OFFICERS—Kathryn Sloope, Sibyl Beaver, Tommy Bostian, Frances Barringer. Adviser, Miss Fisher.

Achievement, leadership, and scholarship are the ideals toward which Beta members strive daily among themselves and among other students. During the past two years it has strove to improve itself financially—through successful play productions, socially—through amiable “get-togethers,” and objectively—through responses to national Beta headquarters and discussing and planning the organization of student government in our high school.

NATURE CLUB

BETA CLUB

DRAMATICS CLUB

TUMBLING CLUB

DRAMATICS CLUB

OFFICERS—Oscar Beaver, Betty Follett, Alene Beaver. Advisers, Miss Doris Mendenhall and Miss Lillian Barrier.

Perhaps the first objective of the Dramatic Club is to help the individual in gaining poise—on stage and off. Next, to acquaint them in the art of facial make-up which is quite a fascinating study. Other items of interest we take up are: Study and arrangement of stage and stage furniture, pantomimes, and the simple elements of acting.

TUMBLING CLUB

It's fun! It's challenging! It's satisfying! That's the reason for learning some of the countless possibilities of the human body to perform feats of strength, balance, agility, and flexibility.

The Tumbling Club offers the physical education girls the opportunity to suggest and devise original combinations of stunts and to assume responsibilities for the organization of public demonstrations. Its members develop a spirit of play and an appreciation for the recreational values of physical accomplishments.

MONOGRAM CLUB

OFFICERS—Wayne Beaver, Virginia Lee Allman, Trimmy Shoemaker, Tommy Bostian.

The students of Landis High School have one of the best opportunities to take part in sports, as they have always been recognized and encouraged here. The Monogram Club consists of students who have worked hard enough to earn a letter in one or more of the sports offered.

BASTE-AND-TASTE—HOME ECONOMICS CLUB

OFFICERS—Mabel Frances Deal, Dorothy Christopher, Ola Mae Goodman, Kathleen Weaver.

The Baste-and-Taste Club is proud to be a member of the State Association and National Organization of the Future Homemakers of America, whose purposes are to foster the development of creative leadership in the home and community life, promote a growing appreciation of the joys and satisfactions of worthy home membership and provide wholesome individual and group recreation.

CHEERLEADERS—The cheerleaders have worked hard this year to help the teams to be successful, and this effort has not been in vain. These yells have always helped the teams if they felt like giving up, because they knew that everyone was backing them with moral support.

MANAGERS—Perhaps the managers aren't given enough credit, but they have a job the same as the players. They are depended on by the players to do, or see that everything is done when needed. To them we say "Thanks."

FOOTBALL

The football team was very successful this year according to the weight of the team. The team won fifty per cent of the games they played and the greatest victory of the season was the defeat of China Grove. All of the players will be back except Captain Dixon, and plan to have a successful season next year by the coaching of our Superintendent and Coach T. F. Bostian.

BOYS' BASKETBALL

The mighty Yellow Jackets of 1945-46 have had a very successful season this year. They have defeated every team in the Rowan County conference. Next year's team will be the same as this. The boys' team, led by H. A. McCreary, had the determination to win or else and the determination ended with a season of victories.

BASEBALL

The Landis High School baseball team went out into high honor last year for twelve straight victories with the pitching of Pless. We had eight lettermen to start off with, which was a great advantage over most of the other teams, but have lost three of the players to the Armed Forces. We plan to have a successful season the coming year.

Tommy,

It has been a pleasure being a classmate of yours for the past year.

A friend,

Elaine Brown

Tommy,

It has really been so much fun knowing you and being in school with you. I am so happy to see you again. I always remember the good times we had in chemistry class.

Beatrice

Tommy,

It has been nice knowing you all these years. Best wishes and lots of luck in the future.

A friend,

Jack Bost

Tommy,

I have enjoyed being in school with you this past year. Best wishes to you all.

Tommy:
I have been an
elementary being in
school with you for 16
years. I'm hoping that
you will have lots of "luck" in the
future.

Tommy,

Its been very nice knowing you for the past years and also having you as a classmate. You are indeed a nice person & I've enjoyed your nice ways & your friendship. Don't forget the fun we've had especially in play practice even though we had a swell day didn't we?

Hope we can finish next yr. together. I'm wishing you luck always.

A Friend & Classmate
Loris Hegler.

Tommy,

I just want to wish you lots of luck in the future for you deserve it. That's about all there is to say except it's been nice knowing you, and be good - until next year.
